

TEMPORARY BUSINESS LICENSE REQUIREMENTS

North Ogden City
505 E 2600 N, North Ogden, UT 84414, 801-782-7211

Temporary business licenses will be issued in North Ogden City for a period of 95 days, one time per year. The application will be filled out on a “Commercial Business License Application.”

Fee for Temporary business license - \$100

Fee for Fireworks business license - \$125

Temporary businesses and firework businesses require a bond fee, which is refundable at the end of the 95 days (provided that your site is cleaned prior to the end of your 95 days).

Bond fees are: Less than 400 sq. ft. - \$150

More than 400 sq. ft. - \$250

Other requirements include:

1. The temporary business must be located in a commercial zone.
2. The business applicant must have written permission from the property owner of the proposed business location state the business can be there.
3. The business applicant must provide a plat map showing the location of the proposed business, parking arrangements, signs (including size), and dimensions of the business.
4. For businesses selling food products other than produce grown by the seller, certification from the Weber County Health Department must be obtained.
5. The North View Fire Inspector must inspect the site once the business is in place and then sign off on the temporary business license application.
6. Application for the temporary license must be presented at the City Offices with the required documentation at least 30 business day before the planned opening.
7. Application must be accompanied by proof of the liability insurance.
