<u>Council Member Brent Taylor</u>	648-0443	<u>btaylor@nogden.org</u>

NORTH OGDEN POLICE DEPARTMENT – 801-782-7219 – 515 E 2600 N

It’s hard to believe, but Halloween is just around the corner. With the upcoming holiday, we wish to remind everyone of some safety tips to help make this an enjoyable time of the year for everyone.

- Select costumes with light colors and reflective materials for increased visibility
- If costumes include a mask, make certain the wearer is able to see the ground in front of them and from side to side
- Do not include rigid or sharp “weapons” as costume props
- Instruct children to look both ways when crossing the street, and to cross at corners or in well-lit areas
- Make sure young children are accompanied by a trusted adult
- Only allow children to go to houses where you feel comfortable that the residents are trust-worthy
- Exercise extra caution around animals. Even the family pet may not recognize the costume wearer or may become frightened by the commotion of the holiday
- Motorists, use extra caution while driving our roads. As it gets dark sooner, children and others become more difficult to see. Children may also wander out into the road and into the path of your vehicle
- Homeowners, keep your house and yard well-lit to help trick-or-treaters see where they are going and identify any hazards
- As you decorate your yard for the holiday, be mindful that there are those out there who may damage or steal your decorations. Pumpkins stolen from residents’ yards are frequently used to damage other property

WE WISH EVERYONE A SAFE AND ENJOYABLE HALLOWEEN

The City Offices will be closed on Monday, October 14th, in observance of Columbus Day.

BUILDING OFFICAL – 737-2214
FLOOD PLAIN INFORMATION

Questions regarding flood zones should be directed to Gary Kerr. FEMA flood maps are available for your review in our office.

We also have elevation certificates.

GREEN WASTE FACILITY CLOSING

The Green Waste Facility will close for the season on October 30th.

We would like to say THANK YOU to all the facility volunteers for this year. You are the reason that we are able to continue to offer this service for the residents.

The compost facility will be open during the Fall Clean-up days of October 21-25, 2013 from 8:00am to 4:00pm at no cost.

If you should need to deposit green waste after November 1st and before the snow accumulates, please contact the Public Works office at 801-782-8111 and we will try to open the area. We are available Monday through Friday 8:00 to 4:00 (Except holidays) and will do our best to accommodate your needs. We thank you for taking time to clean the waterways of debris.

If you are interested in volunteering for next season please contact Shelly at 801-782-8111.

GREEN WASTE PICK-UP

The City has scheduled the fall Green Waste Pick Up for October 21st – 25th. Collection will be on your regular garbage day. The volume of material may, however, delay collection.

The regulations mentioned below must be followed when placing material out for collection. All materials must be in bags, boxes or containers. Bush clippings and small tree limbs must be bundled and no longer than 5 feet in length. Weight limit is 75 pounds. Place materials in parkways, not in curb or waterways.

This is a Green Waste Clean-Up Only.

We appreciate citizen participation and encourage your use of the compost facility. For that reason **the compost facility will be open for your use at NO CHARGE the entire clean-up week (Monday – Friday) from 8:00am to 4:00pm and Saturday from 9:00am to noon.**

If you have questions contact the City Shop at 801-782-8111, or email robison@nogden.org

During winter, snow will fall and travel will become more challenging. The dedicated men and women of our Public Works Department will be out in force keeping our roadways as clean and safe as possible. We would like to remind everyone to use extreme caution around the plow trucks and to utilize the information below. Our Public Works Department has an excellent safety record, and you can help us continue to provide safe and effective snow removal by following these tips. If you have questions, or concerns, please contact the Public Works Department at (801) 782-8111.

SAFETY TIPS AND GUIDELINES

Please make sure you are at a safe distance when pulling out in front of a plow truck - Our trucks can weigh in excess of 10 tons and require a longer than normal stopping distance on slick pavement.

When following a plow, allow plenty of stopping distance - Plow trucks make frequent stops and back up with little warning. Remember, if you cannot see a plow truck's side view mirrors, the driver cannot see you.

Remain at a safe distance from rock salt - Rock salt is our main defense against slick pavement and our plows are capable of spreading this salt in a 20-foot pattern behind the vehicle. We do use shielding to deflect this pattern, but occasionally rock salt can damage nearby vehicles or come in contact with pedestrians.

Please do not pass plow trucks - Please take a few minutes and allow us to clear your path

When Is Parking on Streets Not Allowed? From November 15th through March 15th of each year there is no parking on the streets from midnight to 6:00 a.m.

There is no parking on the streets and roadways anytime during a snowstorm or within 24-hours following the cessation of a storm. Cars, trucks, trailers or other vehicles parking on the streets or roadways against these rules are considered a public nuisance and may be towed at the registered owner's expense.

WHY DOES MY DRIVEWAY GET PLOWED IN?

The snowplows are designed to direct snow to the curbside of the plow blade. These side-delivery plows are the fastest and most efficient means available to remove snowfall from the streets. As a result, snow is discharged along the length of the curb, the parkways, and the private driveway areas. There are thousands of private driveways city-wide, and cleaning these off is the responsibility of the owner. To ensure that both the streets and your driveway are cleared efficiently, please follow these guidelines:

Pile your snow to the right side of the driveway - This will help alleviate the amount of snow that is piled at the end of your driveway after plows pass through.

Wait till your street has been plowed before clearing your own driveway - This will prevent your own snow piles from being piled back onto your driveway.

Don't discharge your snow into the streets – City Ordinance prohibits this. Snow may freeze or become compacted, creating a Safety hazard for all motorists. Homeowners may be held liable for damages caused by this road hazard or may be fined for causing the hazard.

COMMUNITY EMERGENCY RESPONSE TEAM

North Ogden residents are invited to participate in a couple of upcoming events. Weber County's Community Emergency Response Team (C.E.R.T.) is hosting the Northern Utah Regional C.E.R.T. Conference on October 26th, 2013 from 8am to 3:30pm at the Ogden Applied Technology Center. This conference is open to all northern region C.E.R.T. volunteers and is free of charge. A light breakfast and box lunch will be provided. Please contact Weber County C.E.R.T. Coordinator Tammy Folkman at 801-778-6686 prior to October 21st, 2013 to R.S.V.P. so they can get a lunch count.

Residents are also invited to attend a sandbag training at the North Ogden Public Works building, 332 E. Pleasant View Dr., on Saturday, November 9th, 2013 at 10am. Weber County Emergency manager Lance Peterson will be on-hand to teach the proper way to fill and stack sandbags to safely control flooding. Sandbags filled during this training session will be stored for later use in the event of Spring flooding. All residents are invited, and we ask that you bring a shovel and gloves, as this will include hands on training.

The next North Ogden C.E.R.T. Council meeting is scheduled for Thursday, October 17th, 2013 at 6:30pm at the North Ogden Police Department, 515 E. 2600 N.
