

## North Ogden Beans and Brews

Beans & Brews Coffee House has been around since 1993, when the Laramie family opened shop next to Salt Lake City's beloved hangout, Liberty Park. The family refined the process of high-altitude roasting, which required special tweaks just like high-altitude baking. They soon got the process just right, and they built a reputation for uniquely smooth coffee in a friendly neighborhood setting. The manager Savannah, says that it is great to work for a company that is run by a good, honest family. There are 12 employees in North Ogden who are fun and upbeat and love to serve their customers.

Beans and Brews uses all locally sourced foods and their beans are roasted in Sandy, Utah. They have a full menu including traditional favorites, chocolate cravings, brewed, blended, and frozen drinks. They also have breakfast-type sandwiches, bagels, and pastries that they serve throughout the day and a Turkey Pesto Melt. They are able and happy to accommodate most dietary restrictions.

The store has a clean open feeling and they welcome you to come and hang out with them. They are open Mon thru Thursday from 5am-9pm, Friday and Saturday from 5am – 10pm, and Sunday 6am-9pm.
