Recycling in North Ogden

"We now have a recycling dumpster available for residents to dispose of their cardboard, paper, metal cans, and plastic (#1 and #2 only).

Located in front of the old Public Works office at 346 E Pleasant View Dr.

Please make sure you are following these specific guidelines when disposing of items in the dumpster. If you take your recyclables in a plastic bag you cannot throw the whole bag into the recycle dumpster, you must empty it and take the bag with you. Plastic bags of any sort are not considered a recyclable item.

ONLY place these items in the recycling container

How to Prepare your recyclables

Keep It Loose
Never put recyclables in containers or bags

Empty • Clean • Dry.™
Keep all recyclables free of food and liquid

NEVER place these items in the recycling container
