## THE ECONOMIC DEVELOPMENT COMMITTEE WHAT IS IT?

A group of residents and/or business owners in North Ogden was formed as a Committee and meets occasionally to discuss issues related to economic development, including business regulations and ordinances, beautification programs, and re-development initiatives.

The Committee provides important recommendations to the City Council about how to foster economic growth in North Ogden, including recommendations on the use of RDA (Re-Development Agency) and CDA (Community Development Area) economic development funds.

The Committee generally meets on the 5th Tuesday of the month. Check the calendar for upcoming meeting dates. All Committee meetings, which are held at 6pm in the North Ogden City Council room at 505 E. 2600 N., are open to the public and welcomes your attendance and comments.
