

Beautification Program

NORTH OGDEN CITY

— SETTLED 1851 —

Custom Benches

Flower Potters

Trash Cans

Public Art

Community Starts Here

Custom Benches, Flower Planters, Trash Cans

North Ogden City is asking businesses and citizens to sponsor high quality, attractive benches, trash cans, and flower planters (3 sizes) to help beautify your business and the city!

North Ogden City wants *as many businesses and citizens as possible* to participate, in order to beautify our commercial district and parks.

Benefits to the Business

Beautification and Branding!

Top: Medium Size Flower Planter

Bottom: Small Flower Planter

Branding: Flower planters have metal plaques on each side: 2 for the business and 2 for North Ogden City. *We will take your business logo or artwork and create custom plaque for your items.*

Beautification: You will be joining business owners and the city in a citywide branding initiative that incorporates our city's natural scenery and mountains!

Custom Beautification Costs*

- Bench: \$1315
- Garbage Can: \$915
- Large Planter: \$565
- Medium Planter: \$465
- Small Planter: \$425

**Business owners, be sure to ask about the Washington Blvd Discount*

Below: Trash Can

Installation and Maintenance

City employees will deliver and install your purchases upon completion (6-8 weeks).

North Ogden City will install annual flowers each Spring in your planter. Planter owners are responsible for maintaining the plants and keeping them alive. Re-plant fees will apply should the plants die during the season, if plants are available.

Other Program Components

North Ogden City is embarking on a multi-year beautification program, designed to improve the appearance of our commercial district to increase business success and city pride!

This program also includes:

- New decorative **streetlights** for Washington Blvd. and 2700 North
- **Public Art:** including unique and beautiful vinyl wraps on utility boxes (*picture right*)
- **Welcome Signs:** New and improved
- Custom **Bus Stops:** In cooperation with UTA
