Additional Requirements – City Code 11-10-7

1. Coops must follow requirements for an accessory building except that coops must be maintained not closer than 25 feet from any dwelling on an adjacent lot.
2. Feet must be stored in a rodent proof container.
3. Clean water shall be made available to the chickens at all times.
4. Chickens must be housed in a covered, ventilated, and predator resistant coop.
5. The coop must be located in the rear yard.
6. The chickens must be contained within the owner’s property lines.
7. If the chickens have access to an outdoor run, the coop must have at least two (2) square feet per chicken.
8. If chickens stay in the coop at all times, the coop must have at least six (6) square feet per chicken.
9. The coop and enclosed area must be kept clean and sanitary to prevent any insect breeding, vermin attraction, nuisance, or offensive odor past the property line.
10. Dead birds and discarded or rotting eggs shall be removed as soon as possible but no longer than 24 hours and shall be properly disposed of.
11. A chicken permit must be obtained annually from the City Administration Office (address above) at the cost of \$5.00 per year.
12. The permit for keeping chickens may be revoked upon the conviction of the permit holder of a violation of this section.

I/We _____ hereby agree to the listed requirements and understand this permit may be revoked upon the conviction of the permit holder of a violation of this section.
